The net income (excluding the item under 'Extraordinary and Doubt') increased from Rs 1,33,22,839 to Rs 1,89,27,618. The net increase of Rs 56,04,779 is accounted for under the following general heads:—

| | | | | |

The important variations under income, are shown below:—

Octroi—The income under the head increased due to (1) Substitution of Octroi for T T by some Municipalities, (2) increase in the rate of Octroi by Virangam Municipality and (3) the receipt of Octroi on food-grains (from Government) by Virangam and Dholka Municipalities.

Terminal Tax—The increase was partly due to the recovery of past arrears (in Ahmedabad and Broach) and partly to the increase in the T T rates in the case of some Municipalities.

Taxes on Houses and lands—There was an increase under this head in the case of Municipalities in the Kaira and Surat Districts and in the Ankleshwar Municipality due to the revision of the House Tax.

There was a decrease of Rs 8,833 in the House Tax in the Broach Borough Municipality on account of the heavy arrears of the Tax.

Taxes on animals and Vehicles—Taxes under this head increased partly due to the increase in the number of Vehicles etc. plying within the Municipal limits and partly due to the introduction of the increased rates by some Municipalities.

Water Rates—The receipts from 'Water Rates' increased due to the recovery of past arrears in the case of the Ahmedabad, Kapadwanj and Borsad Municipalities.

In the case of the Surat Municipality, the receipts increased by Rs 57,860 under this head, due to the revision of the water rates.

Sanitary Cesses—(Special and General) Special Sanitary Cess. There was an increase of Rs 74,952 under this head due largely to increase in the number of privies.

The General Sanitary Cess showed an increase of Rs 20,053 due to the increase in the number of houses and, in some cases, the recovery of past arrears.

Revenue derived from Municipal properties—The receipts under this head increased by Rs 88,050. The Ahmedabad Municipality realised a large sum by the sale of the additional land acquired for their sewage farm which was leased to cultivators, and from the sale of refuse etc.

Grants and contributions for General and Special purposes—The receipts under this head showed an increase of Rs 8,33,138. The increase was due to the payment of 50% grant-in-aid to Municipalities by Government for the payment of D A to their Sanitary staff.

7 NATURE OF INCOME AND INCIDENCE PER HEAD OF POPULATION.—Out of the total income of the Municipalities in the Division amounting to Rs 1,89,27,618, Rs 1,49,23,256 were realised from Municipal rates and taxes as compared with Rs 1,04,06,737 in the preceding year.

- (b) *Water Supply*—The expenditure increased by about Rs 1,16,602 in the case of the Ahmedabad, Kaira and Thana Municipalities. In Surat, there was a decrease of Rs 28,827 due to the expenditure by the Rander Municipality. The difference is also due to special repairs carried out by the Surat Municipality during the previous year.
- (c) *Drainage*—There was an increase of Rs 92,451 due to the grant of D A. at the increased rates.

11 **CLOSING BALANCE**—The aggregate closing balance of all Municipalities in the Division amounted to Rs 62,16,049 as against Rs 39,00,706 at the end of the preceding year, showing a net increase of Rs 23,15,343.

12 **FINANCIAL WORKING OF WATER SUPPLY**—The preliminary work in connection with the Nadiad Water Works and drainage Schemes was completed last year. The scheme has been entrusted for execution of Government and a reservoir is under construction and 4 wells have been sunk.

The Bilsar Municipality has no water works while the Rander Municipality shares its supply with Surat.

13 **AUDIT OF ACCOUNTS**—The audit report revealed the same kind of defects and irregularities as were noticed during the preceding year.

A sum of Rs 4,176 was misappropriated from the balance of the fair price shop run by the Jumbisar Municipality due to inadequate supervision and control.

14 **GRANT FOR SANITARY AND TOWN IMPROVEMENT SCHEMES**—No grant or assistance was given by Government to any Municipality for Sanitary or Town Improvement Schemes.

15 **NOTIFIED AREAS**—The three notified area Committees are Mahid, Kandiwal and Borival, all in the Thana District. The question of converting these bodies into Municipalities, is under consideration.

16 REMARKS REGARDING MORE IMPORTANT MUNICIPALITIES—

Ahmedabad Municipality—(a) Ellis Bridge T P Scheme No III—The Scheme was sanctioned on the 15th March 1945. The work of handing over possession of F P S to the owners has been completed and the work of providing a road under the scheme is in progress.

(b) Manipur T P Scheme No IV-A (Varied)—A draft scheme has been prepared and submitted for Government sanction.

(c) Other T. P. Schemes—

| | |
|-----------------------|------------------------|
| Draft T. P. Scheme No | 6 (Paldi) |
| " " " " | 7 (Khokhra Mehmedabad) |
| " " " " | 9 (Rajpur-Hirpur) |
| " " " " | 10 (Rakhial) |

have been sanctioned by Government and are now awaiting arbitration proceedings. Draft T. P. Scheme No 8 (Asarwa) has been submitted to Government for sanction.

Kalapur Relief Road Scheme—The work of Kalapur Relief Road Scheme has been completed.

Water Supply and Drainage—The Municipality continued its efforts to meet the increased demand for water with the increase in the population.

The average daily supply of water works was 17.39 Million gallons, as against 17.38 Million gallons in the preceding year. This works out at about 23 gallons per head of population per day. The hours of supply in the beginning of the year were 10½. This period was maintained throughout the hot season and the greater part of the monsoon. This period was curtailed to 7½ hours from the 17th October 1946 but was again extended to 10 hours from the 21st December 1946 and the supply was increased to 10½ hours from the 12th February 1947.

As per previous practice, the City Water Supply was fairly well maintained and the special supply to Mill area and on important public occasions was continued.

A part of the open Manek Nadi drain (behind the Ahmedabad Textile Mills) was covered for a length of 1,000 ft. and thereby a long standing nuisance has been removed.

Suburban Water Supply and Drainage—The suburbs were supplied with water from the following tube well stations—

(1) Ellis Bridge (2) Rajdhani (3) Jamalpur (4) Gomtipur (5) Saraspur

The supply hours for the suburban stations remained 6½ and all the five stations worked satisfactorily. The total average daily water supply from all the stations was 2.225 Million gallons. A new 6 bore at Asarwa was sunk, yielding 16,000 gallons per hour.

The drainage connections to the Mills are now to be given and therefore the long standing nuisance of dirty water being pumped out on to the public streets and open spaces in the Mill area should abate.

Disposal of Sewage—The sewage farm is comprised of 1720A 34G (including 212A 22G of newly acquired land). Out of this 1071A 12G were leased for cultivation. The total revenue and expenditure of the farm were Rs. 1,37,591 and Rs. 50,206 respectively, yielding a profit of Rs. 87,385.

Public Health—The number of births during the year was 21,620 as against 23,924 in the preceding year. The number of deaths during the year were 14,862, as against 18,512 in the preceding year, which shows a decrease of 3,650.

The city was free from influenza and plague during the year. The Municipality sanctioned the amounts of Rs. 35,000 for anti-malaria measures.

Improvement and extension of housing for the working classes—40 tenements for the working classes which were under construction in the preceding year were completed during the year under report and certain amenities such as bath-rooms, water taps, etc. were provided in the Harijan localities.

Breach of Municipality—The Municipal administration being very unsatisfactory, the Municipality was given a chance to improve its financial position. The Municipality has imposed educational and lighting taxes which are being levied from the 1st April 1947 and out of the expected tax yield Rs. 75,000 are to be earmarked for meeting the cost of water supply and drainage schemes.

PART III

17. *THE ADMINISTRATION OF THE MUNICIPALITIES IN GENERAL*—The general standard of Municipal administration has not shown any marked improvement. Communal and sectional considerations have generally swayed the members' sense of civil responsibility.

Works of public utility were neglected for want of funds which could have been obtained by imposing fire taxation.

18. *FINANCIAL POSITION*—The financial position of the Municipalities has remained steady but could be much improved by better administration and fresh levy of taxes.

19. *CO-OPERATION OR OTHERWISE WITH GOVERNMENT*—The relations between the Municipal Bodies and Government Officials have continued to be smooth and cordial during the year.

20. *HEALTH AND MEDICINE*—No serious epidemic appeared during the year and the general public health was good on the whole except for the usual outbreaks of small-pox, malaria and typhoid which the Municipalities concerned took prompt measures to control.

21. *FACILITIES TO HARIJAN SERVANTS*—Equal facilities were recorded to the Harijans in the matter of education, water supply and other Municipal amenities. No instance of disregard of the rights of these classes was brought to notice.

21A. NOTABLE OCCURRENCE IN AHMEDABAD—Communal disturbances started in the City from the 1st July 1946, resulting in many fires and casualties. The staff of the Ahmedabad Municipal Fire Brigade and Ambulance service departments rendered meritorious services during the riots in extinguishing fires and removing dead bodies and injured persons from the affected areas.

22 APPRECIATION OF SERVICES OF MUNICIPAL PRESIDENTS, OFFICERS AND COUNCILLORS—

Ahmedabad District—The Collector of Ahmedabad has praised the President of the Ahmedabad Municipality for his progressive outlook and commends Messrs U U Shaikh, the Ambulance Officer and S M Bharucha the Chief Fire Superintendent and their staff for the good services rendered by them during the period of the riots.

Kaira District—The President of the Nadiad Umreth, Kaira and Anand Municipalities and the Ex-Chief Officer (Mr C M Shah) of the Nadiad Municipality rendered good services.

Broach District—The administration of the Broach Municipality, which was fast deteriorating during the past few years, showed signs of slight improvements since Mr B J Patel took Office as President and it was due to his efforts that the financial position somewhat stabilised by the imposition of new taxes and the increase of the rates of the existing taxes.

(c) *Conservancy*—The expenditure under this head increased from Rs. 20,98,157 to Rs. 26,81,973. The increase was due to expenditure on payment to the conservancy staff dearness allowance at the rates sanctioned by Government for their employees. An increase of Rs. 42,963 in the case of Sholapur municipality was due to rise in the cost of feeding bullocks.

(d) *Hospital and Dispensaries*—The following municipalities failed to spend 4% of the expenditure on medical relief during the year:

(1) Ahmednagar (2) Nasik (3) Poona City (4) Manmad (5) Malegaon (6) Bhagur

(e) *Rawal*—The expenditure under this head showed an increase of Rs. 90,387. This was due to the increased cost of material. In the case of the Sholapur and Ahmednagar Municipalities expenditure incurred was less than receipts from toll and wheel taxes.

There was less replenishment of water in the Ekruk tank in Sholapur district and the Sholapur municipality had to undertake emergent water supply schemes such as digging of 3 wells below Ekruk dam and the Hotgi tank scheme to augment the supply of water to the Sholapur city. The Municipality has also decided to undertake the Bhima River scheme.

The water works at Pindharpur are under the control of the P. W. D. and the monthly water rate bills are paid by the Municipality on the quantity of water consumed.

13. **AUDIT OF ACCOUNTS NASIK DISTRICT**—The inspection notes of the Examiner in respect of accounts of the municipality show that except in the case of Nasik and Malegaon Municipalities the accounts were on the whole maintained well. The accounts of the Nasik municipality were in a very bad state and audit taken in December 1946 had to be abandoned as many of the account registers were found to be incomplete.

The audit note of Malegaon for 1943 to 46 contained several irregularities.

Poona district—The Poona City Municipality was not prompt in replying to the audit note. The Examiner has pointed out several defects and irregularities and payments contrary to law.

Satara district—In the case of (1) Tasgaon (2) Mhaswad (3) Ashta (4) Satara Suburban (5) Karad (6) Pinchgani (7) Wai and (8) Mahabaleshwar Municipalities, compliance with audit notes was far from satisfactory.

Sholapur district—The financial position of the Sholapur Municipality had become critical during the year. The municipality therefore decided to increase the rates of several taxes and fees and submitted its proposals in the matter.

Due to party factions in the Sangoli Municipality, the day to day working of that municipality had come to stand still and the municipality had therefore to be dissolved.

14. **GRANTS FROM GOVERNMENT**—The total grants received by all the municipalities amounted to Rs. 23,20,693. Out of this amount Rs. 18,000 were given to the Ahmednagar Municipality for emergent water supply. The other grants relate to medical, anti epidemic disease measures, educational and other general purposes.

15. **NOTIFIED AREA COMMITTEE**—There was only one Notified Area Committee at Belapur Road (Gokulwadi) in Ahmednagar district. It was a defunct body.

PART II

| Sholapur | 21,50,748 | 23,52,036 |

The arrears of taxes of the Poona City Municipality at the end of the year 1946-47 amounted to Rs 2,62,279 as against Rs 2,63,603 in the preceding year. Out of these arrears the previous years' arrears over a year old were of Rs 1,27,789. The Collector has advised the municipality to use coercive measures to clear these. The Sholapur Municipality's collection of its dues was satisfactory.

The Poona City was visited by plague in the year under report. There were 394 attacks and 81 deaths. Compulsory inoculation measures were taken. An amount of Rs 1,51,263 was spent on anti-plague measures. Total plague charges amounted to Rs 1,85,836. The works of pure water reservoir, the covering of high level service reservoir and the perceiver service reservoir of the Sholapur Municipality were completed during the year. The underground drainage scheme of Sholapur municipality has been approved by the Board of Public Health Works and is now before Government for consideration. To finance this scheme the municipality has decided to levy a drainage tax and the rules and bye-laws framed for that purpose have been sanctioned by Government. During the year under report a good deal of water scarcity was felt by the Sholapur municipality, but timely measures were taken to relieve the trouble. The municipality has decided to undertake the Bhima River Scheme which will provide adequate supply of water to the city.

PART III

17 GENERAL ADMINISTRATION ON —Administration of municipality as a whole Ahmednagar district

During the year under report the Ahmednagar municipality had to face acute shortage of water for want of rains.

The Sangamner municipality had to face the plague epidemic and had to divert much of its attention in taking anti-plague measures.

Poona district —The administration of the municipalities in the district was not up to the mark. But the municipalities of Dhond, Baramati, Alandi and Poona Suburbs give a greater evidence of the awareness of their responsibilities. The administration of Poona City Municipality which should have been a model, steadily deteriorated chiefly on account of inefficient staff and lack of realisation of their duties by the councillors.

The Administration of Lonavla Municipality was riddled by the litigious party factions.

The Indapur Municipality existed only in name.

Nasik district —The administration of the Municipality in the district in general was not efficient. Almost all the municipalities suffered from a lack of adequate sense of responsibility and civic consciousness. Personal interest and party factions figured in many municipalities. Nasik municipality was a noticeable instance in this respect. It has resulted in the supersession of the municipality during the year 1947-48. The Malegaon Municipality which was threatened with supersession has been given a chance to improve its administration within a period of one year.

Satara district —The finance and efficiency of the administration of the municipalities in this district were in general satisfactory except in the case of Mahaswad Panchgaon, Satara-Sub, Rahimatpur, Tasgaon and Vita municipalities.

The water supply scheme of the Islampur municipality has been sanctioned and the municipality has been allowed to raise a loan to carry out the scheme. The question of water supply and drainage scheme at Panchgaon and Wai are under correspondence. Repairs to water supply and drainage scheme at Karad and Satara City are under consideration with the Local Bodies.

Sholapur district —During the year under report the administration of the municipalities in the district was on the whole satisfactory. The party spirit at Sangole was at its worst. The municipality failed to pass the budget for the year 1946-47. There was a deadlock and the day to day administration came to a standstill with the result that the municipality had to be superseded. Fresh elections were held in August 1947 and the new body came into existence on 22nd September 1947.

The urgent needs of the Barsi municipality are (a) improving water supply (b) execution of the drainage scheme and (c) Execution of the Town Planning Scheme. The financial position could not however permit the municipality to undertake any of these schemes during the year. The Municipality has endeavoured to improve its finances and the position will not improve and enable the municipality to undertake the water supply improvement scheme.

During the year under report, the Pindharpur municipality which was under supersession for the last 6-7 years was restored to an elected council, which has devised means to improve its finances

The Karmali Municipality is in immediate need of a water supply scheme. Steps are in progress for the constitution of a suitable scheme

1b FINANCIAL POSITION OF THE MUNICIPALITY —

| | | |
|---|-------------|---|
| 1 | Satara City | The financial position of the municipalities in this division excepting the marginally noted ones was not satisfactory. This was due to increased expenditure and the reluctance of the municipalities to enhance taxation or tap new sources of income |
| 2 | Islampur | |
| 3 | Alandi | |
| 4 | Saswad | |
| 5 | Baramati | |

19 COOPERATION OR OTHERWISE WITH GOVERNMENT —All the municipalities continued to be aloof from political movements and there was no instance of non-cooperation with Government officials. At times the necessary cooperation was in the case of a few municipalities apparently wanting but this was due to the inefficiency and lack of proper sense of responsibility of the office bearers rather than to any lack of genuine desire on the part of the municipalities concerned to cooperate with Government officers.

20 HEALTH SANITARY CONDITION IN MUNICIPAL AREAS—There was plague at Sangamner, Sirur, Saswad, Baranati and Poona City, Igatpuri, Manmad, Yeolo and Bhagur during the year. Necessary measures to check the epidemic were taken by all the municipalities

The sanitary conditions in most of the municipal areas were far from satisfactory and Nasik and Malegaon were the worst offenders in this respect

21 PROVISION OF EQUAL FACILITIES TO SCHEDULED CLASSES—In matters touching education, medical relief, water supply, sanitation, the municipalities continued to provide equal facilities to the scheduled classes

22 APPRECIATION OF SERVICE OF THE MUNICIPAL PRESIDENTS COUNCILLORS AND OFFICERS—The President of the Ahmednagar municipality Mr U. K. Bogawat discharged his duties with good abilities and tried to elevate the position of the Municipality. The President of the Sangamner Municipality also deserves a special mention for the services rendered by him during the plague epidemic

- (d) *Conveyance Tax and Toll* —The Gadag, Betgeri Municipality revised its toll schedule.
